Inter-agency Expert Group on SDG Indicators (Joint Group: HLG-IEGA)

Praia group on governance statistics including Goal #16
SDGs from Policy to Action... Challenges

- Limited resources
- Capacity constraints
- Duplication/overlap of tools and mechanisms
- Insufficient coordination (inter-national level).
- The need to build a clear action plan (regionally and nationally)
- Overlapping on SDGs activities between the main players
- Methodological constraints:
  - Wide range of indicators and details of disaggregation levels
  - Wide range of indicators that depend on administrative data
SDGs
